

Usage Agreement Form

CS 1083 Game Project

To whom it may concern,

We, the undersigned, members of the development team of the JavaFX game titled

Musical Chairs

which was developed as a project for CS 1083, Winter Term 2025, hereby grant Dr. McNally and the UNB Saint John Computer Science Department and Faculty permission to use our software for the following purposes:

- Using the game content on the Dr. McNally (Dr. Halin) gaming streams
- Departmental use as deemed useful such as programming project presentations
- Demonstrating to future classes and prospective students.

We agree that this permission is provided royalty-free. We also acknowledge that Dr. McNally reserves the right to modify the software or completely replace it and re-imagine it as needed for the aforementioned purposes. This agreement does not remove our rights to use, develop, modify or even sell the software while respecting the above rights.
